

Your time is valuable – let us make a difference in how much you accomplish by handling your document destruction needs.

Sunflower Diversified Services is pleased to announce our new **ON SITE** shredding services.

Small volume producers can arrange for onsite shredding with several crew service options; including portable machines that can come into your facility, or materials shredded in our vehicle at your location.

Per pound rate is \$.40 per pound with volume discounts.

Costs include paper removal to our recycling processing facility once shredded.
